

Costs and services of MMPC

Topics to Discuss

- How does each center decide on costs?
- Should we have access to all centers costs?
- Should costs for services be on website?
- Should we “specialize” in one or two services and have high throughput to decrease cost?

								Seattle	Cas e	Van dy	
Services								Unit			
Receiving/Storing Samples (Non-UW only)				fixed fee				ship ment	\$ 25		
Tissue Procurement/processi ng				fixed fee				ship ment		\$30
